

Retraction: January 22, 2021

Corrigendum

The paper published in the April 2020 • Vol.13, No.2 (73-88) and entitled:

Study of the Quality of Applicants' Admission to Universities Based on the Results of the Unified State Exam in Russia https://doi.org/10.29333/iji.2020.1326a

http://www.e-iji.net/dosyalar/iji_2020_2_6.pdf

This paper above has been retracted because of the following reasons.

- 1. The Editorial board received some complaints about the findings at the article. The response of the authors about these plagiarism accusations were not satisfying and clear enough for the field expert reviewers of our journal.
- 2. The Editorial Board of IJI received a signed letter of Oksana N. Berduygina (4th Writer) dated January 22, 2021. In this letter Dr. Berduygina alleges that she has not made any contribution to the article and her name has been added to article illegally. The responsible author and the other two authors have not answered this allegation.
